

Art Talks– Speaking of Alzheimer’s

Cards are in packages of 8. These cards are created by individuals struggling with Alzheimer's disease and/or related dementias. This **Art Talks** program provides a creative means of expression, giving the artist a renewed sense of confidence, joy and pride. Proceeds from the sale of **Art Talks** cards support the continuation of this important program and make it possible for families to take advantage of the program at no charge. Sponsored by AWARE.
